Once on Šolta, we take you wherever you want to go – there are a few small villages on the island, the most vibrant one is Maslinica, where you also find the Martinis Marchi boutique hotel.

Another village worth paying a visit is Stomorska on the east side of the island where you find some very good restaurants by the sea.

With our Land Rover Defenders, we can take you to some hidden gems and small bays, not easily accessible without a 4WD vehicle.

Biking and hiking are popular on the island, and we can guide you to some beautiful trails. Bike rental can also be arranged, if booked in advance. If anyone is interested in diving, there is a very good diving center on the island (certificate needed). Or maybe you want to add a boat excursion for half a day, or one full day.

Information regarding transfer - from Split Airport to Šolta

When you book a transfer by speedboat, we will pick you up at the airport and take you to the small harbor only a few minutes from the airport. From there to Šolta it's 35 – 40 minutes by speedboat.

If you choose instead to take the shuttle bus/airport bus (or taxi) transfer to the ferry port of Split, it'll take you about 1 hour after the flight's arrival to get there. Then you must wait for the next ferry to Šolta (1-2 hours). From Split to Šolta by regular ferry is then 55 minutes.

No matter how you choose to get to Šolta, once you arrive, you'll always be picked up by your host who will take you to our resort, only a few minutes from the port of arrival.
